60 mm (headline)

Head: min. 3 mm

Parts of your project that are designed up to the edge of the page need to be extended and filled. This area is trimmed during further processing.

Trimline: 50-50 mm

Margins: min. 3 mm

It is recommended that no important texts or images are placed outside the inner margins, not inside the Trimline, due to manufacturing tolerances.

✂ Cut contour = Final format

⌚ Corner radius: min. 3 mm

Please always remove the layout template from your print file! The cut contour must remain in the print file.
