# Cover

## Bleed: minimum 2 mm

Parts of your project that are designed up to the edge of the page need to be extended into bleed. This area is trimmed off during the manufacturing.

## Open TrimBox:

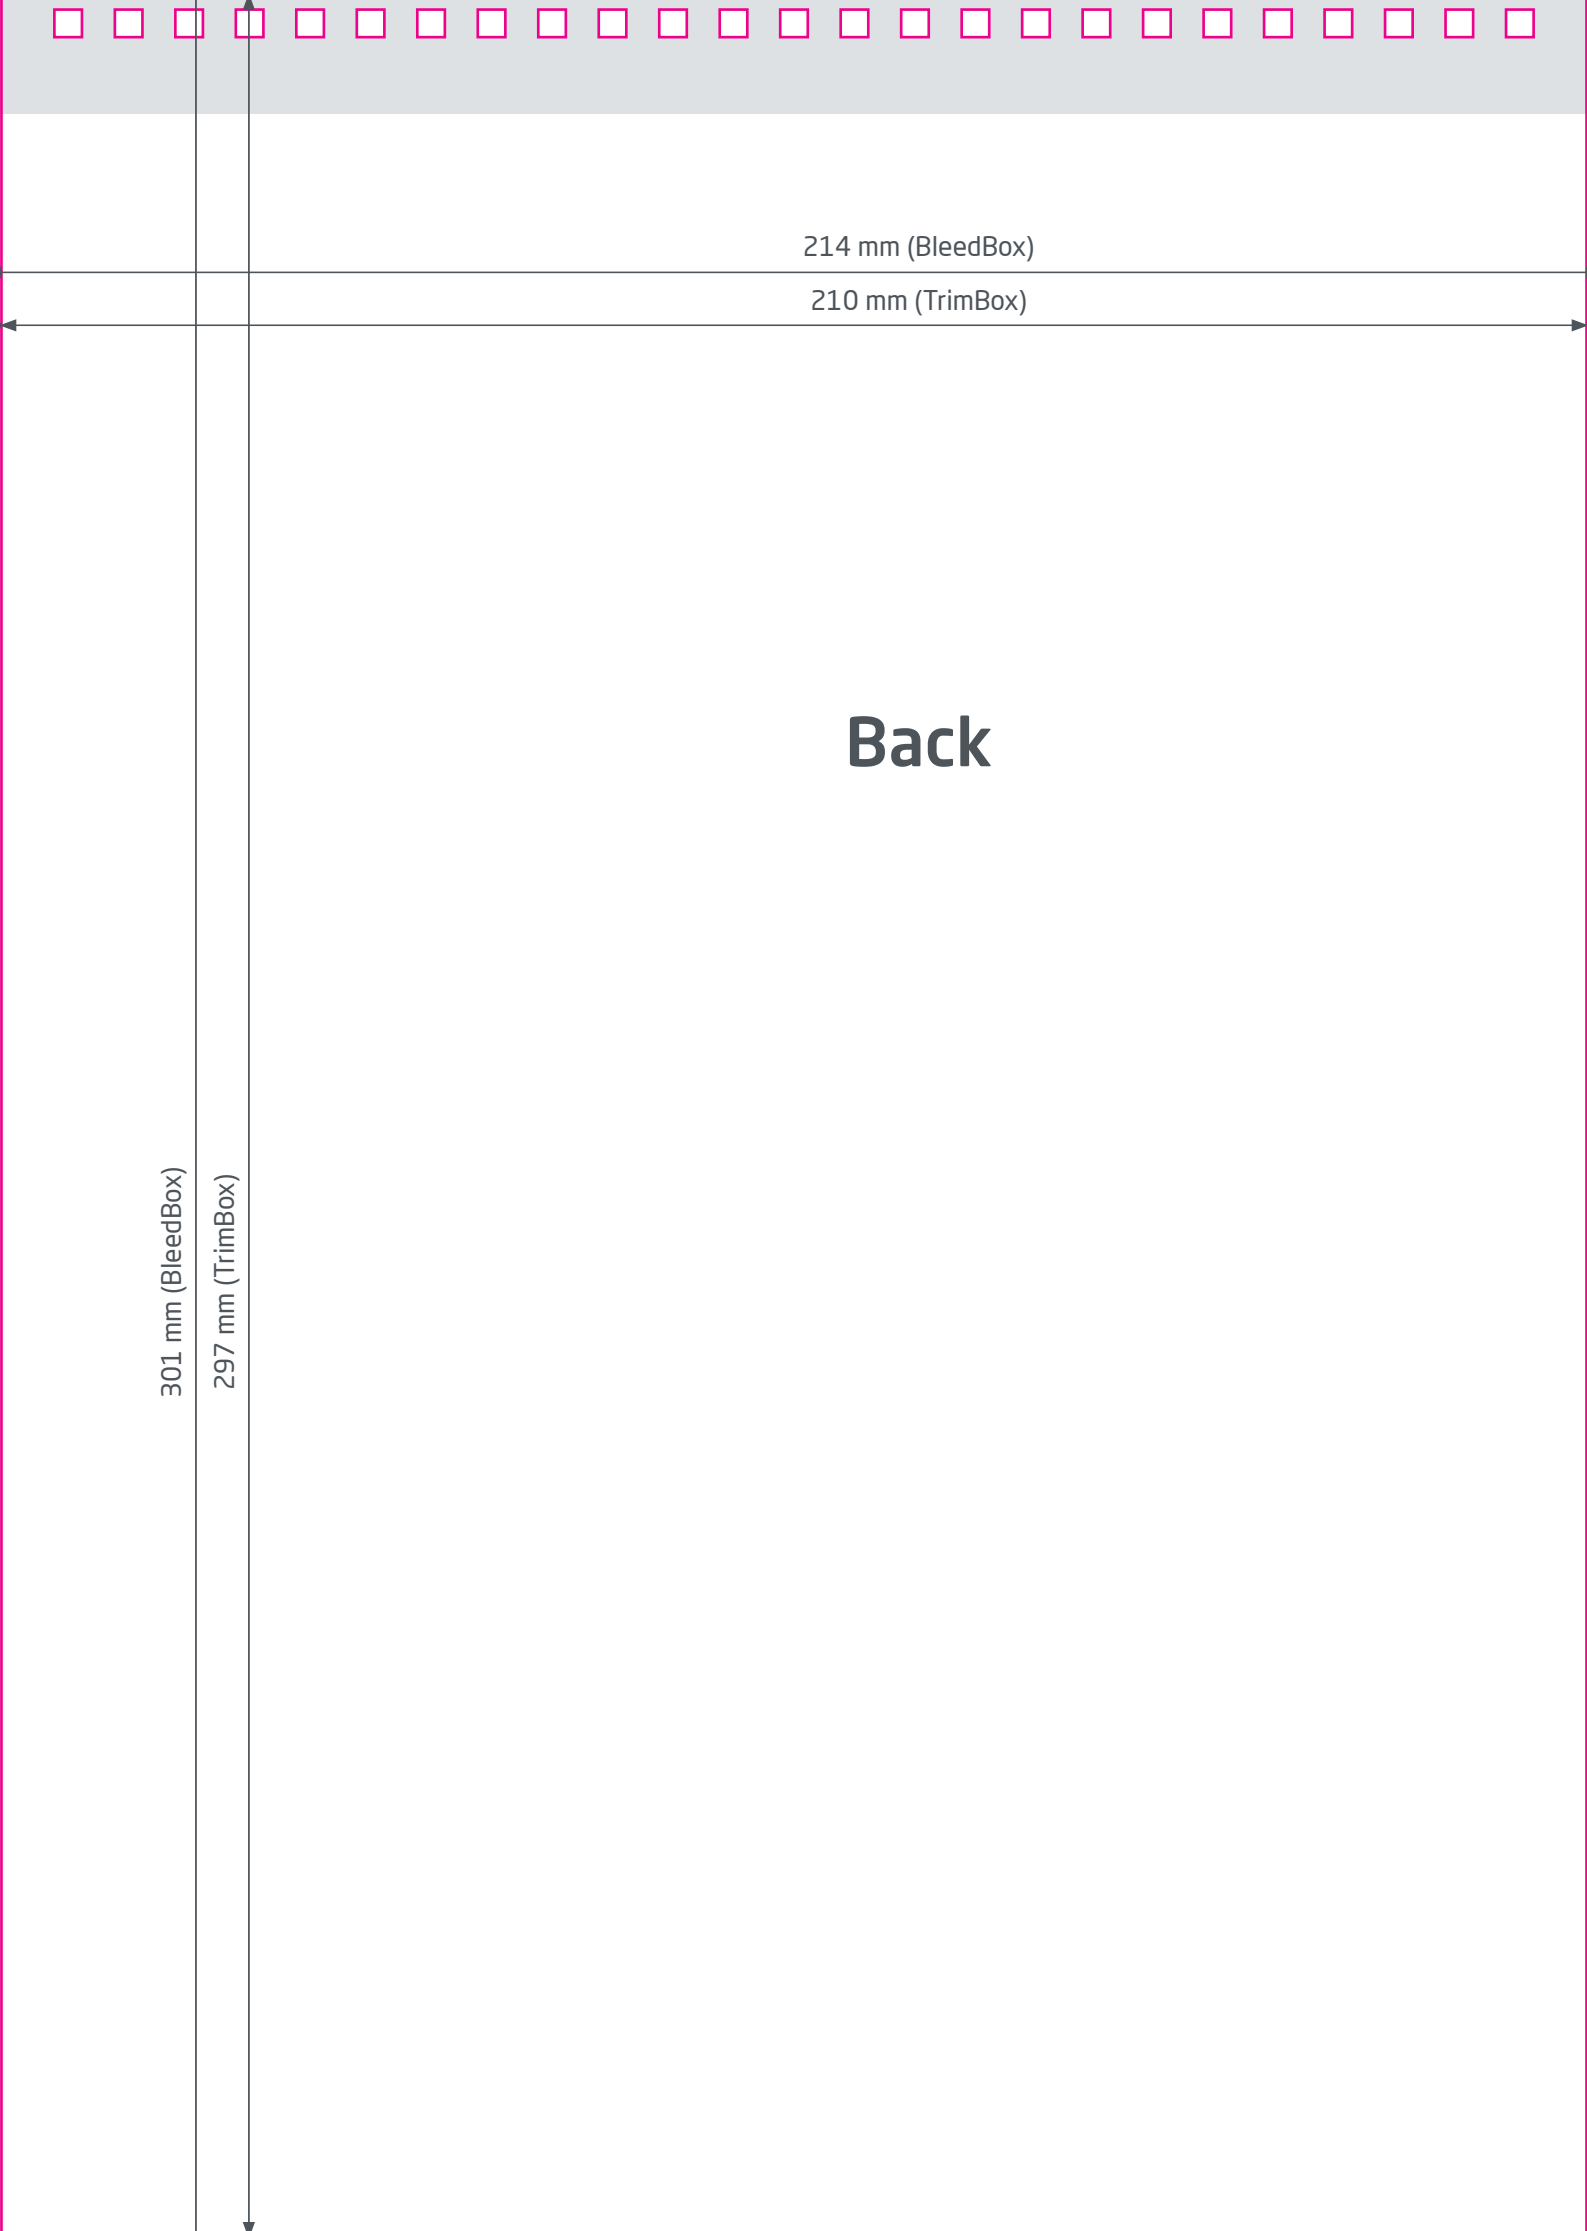

210x297 mm

## Margins: minimum 6 mm

It is recommended that no important texts or images are placed outside the inner margins set inside the TrimBox due to manufacturing tolerances.

■ Margin to the binding 16 mm

**Make sure to remove the layout template from your print file!**
