
Bleed: min. 3 mm
Parts of your project that are designed up to the edge of the page need to be extended into bleed.
This area is trimmed during further processing.

TrimBox: Ø 50 mm

Margins: min. 2 mm
It is recommended that no important texts or images are placed outside the inner margins
set inside the TrimBox due to manufacturing tolerances.

– **Cut contour = Final format**

**Make sure to remove the layout template from your print file!
The cut contour must remain in the print file.**
