

310 mm (BleedBox)

304 mm (TrimBox)

113 mm (BleedBox)

107 mm (TrimBox)

Bleed: minimum 3 mm

Parts of your project that are designed up to the edge of the page need to be extended into bleed. This area is cut off during the manufacturing.

Open TrimBox:

304 x 107 mm

Margins: 5 mm to the left and right, minimum 3 mm to top and bottom, 11 mm for spiral-binding

It is recommended that no important texts or images are placed outside the inner margins set inside the TrimBox as well as inside the area for spiral-binding due to manufacturing tolerances.

- Die cut for spiral-binding
- Safety distance for spiral-binding

Make sure to remove the layout template from your print file!
