

The diagram illustrates the layout of a sticky note with a hardcover. It features a pink border. On the left, there is a vertical grey hatched area representing an adhesive strip. Two horizontal lines define the width of the page: the outer line is labeled '76 mm (BleedBox)' and the inner line is labeled '72 mm (TrimBox)'. Two vertical lines define the height of the page: the outer line is labeled '104 mm (BleedBox)' and the inner line is labeled '100 mm (TrimBox)'. The main content area is white and contains the title 'Pad 1 - Title' and several text blocks with bold headings. A pink rectangular box contains a warning message. At the bottom right, there is a line of text identifying the product.

76 mm (BleedBox)

72 mm (TrimBox)

# Pad 1 - Title

## **Bleed: minimum 2 mm**

Parts of your project that are designed up to the edge of the page need to be extended into bleed. This area is trimmed off during the manufacturing.

## **Open TrimBox:**

72 x 100 mm

## **Margins: minimum 4 mm**

It is recommended that no important texts or images are placed outside the inner margins set inside the TrimBox due to manufacturing tolerances.

Adhesive strip on the back

**Make sure to remove the layout template from your print file!**

Sticky note with hardcover | pad 1 | 72 x 100 | 50 pages  
Inner part | Single-sided
